THE INDIVIDUALIST

If it wasn't for you, our world would be without the passionate emotions you share. You teach us to express our unique authentic selves. You seek love in the ideal life.

Though you are sensitive and creative, you struggle with feeling misunderstood, or that something is missing. Remember that you are more than your feelings.

Being sensitive and in tune with your emotions helps others see the world in a beautiful way. Remember not everyone sees things the way you do so bringing that to your relationships may be just the thing that's missing.
